

* Where CSH is applicable in a building with communal areas less than 10% of the total floor area, please exclude the communal areas as it is outside the scope of CSH.
 ADL1: Building Regulations Approved Document L1
 ADL1a: Building Regulations Approved Document L1 for new-built self contained dwellings
 ADL1b: Building Regulations Approved Document L1 for refurb self contained dwellings
 ADL2: Approved Document L2 for anything else other than dwellings
 Communal corridor is defined as circulation area and hence to be excluded from the communal areas definition
 Example of communal areas: communal kitchens and catering areas, communal leisure areas, offices and IT rooms.
